Further, the Committee noted that the Fairness Opinion confirms that the share entitlement ratio is fair to the shareholders of the Company.
- 1.5. The Appointed Date of the Scheme is 1st April 2022 or such other date as may be decided by the Board of the Company, Resulting Company and the Transferor Company.

2. Need for demerger/ amalgamation and Rationale of the Scheme:

2.1. The Committee of the Independent Directors of the Company noted the following need for demerger/ amalgamation and rationale of the Scheme:

2.1.1. *Given its diversified business, it has become imperative for the Demerged Company to reorient and reorganize itself in a manner that allows imparting greater focus on each of its businesses. With this repositioning, the Demerged Company is desirous of enhancing its operational efficiency while it continues with its consumer products business.*

2.1.2. *The proposed demerger pursuant to this Scheme is expected, inter alia, to result in following benefits:*

- a) *value unlocking of scientific and industrial products business with ability to achieve valuation based on respective-risk return profile and cash flows;*
- b) *attracting business specific investors and potential strategic partners and providing better flexibility in accessing capital, focused strategy and specialisation for sustained growth and thereby enable de-leveraging of the respective businesses in the longer-term;*
- c) *segregation and unbundling of the scientific and industrial products business of the Demerged Company into the Resulting Company, will enable enhanced focus on the Demerged Company and the Resulting Company for exploring opportunities in their respective business domains; and*
- d) *focused management approach for pursuing the growth in the respective business' verticals and de-risk the businesses from each other.*

2.1.3. *As part of the restructuring exercise, it is proposed to consolidate the resources of the Transferor Company with the Transferee Company. The said amalgamation will result in the following benefits:*

- a) *Streamline the corporate structure and consolidation of resources within the Transferee Company leading to greater synergies and operational synergy;*
- b) *Opportunities for employees of the Transferor Company to grow in a wider field of business;*
- c) *Optimal utilisation of resources and better management and administration; and*
- d) *Reduction of administrative responsibilities, multiplicity of records and legal and regulatory compliances.*

2.1.4. *In order to achieve an optimum equity share capital base which will commensurate with business activities of the Resulting Company subsequent to the demerger and merger as stated above, it is proposed to reduce the face value of the equity shares and reorganize the equity share capital of the Resulting Company prior to the said demerger and merger.*

2.1.5. *The proposed restructuring is in the interest of the shareholders, creditors, employees, and other stakeholders of the Parties.*

3. Recommendation of the Committee of the Independent Directors of the Company

The Committee of the Independent Directors of the Company, after due deliberation and consideration of all the terms and conditions of the Scheme, Share Entitlement Ratio Report, Fairness Opinion and other documents, as placed before it, is of the opinion that the Scheme is not detrimental to the shareholders of the Company and recommends the draft Scheme to the Board of Directors of the Company for its consideration and approval.

By order of Committee of Independent Directors
For and on behalf of **Borosil Limited**
